*We dedicate the 1963 "Lion"*  
*to our Science Department*

Dedication--"When the stream of research ceases to flow, the river of knowledge begins to dry up."

Likewise research, experimentation, and investigation have been your noble and exalted purpose and because of this you have given us a gift that surpasses all measure. "What is that gift?" One asks. It is the sharpening of our natural inquisitiveness and the ultimate emergence of the greatest of man's gifts--the inquiring mind.

Through your diligent searching for knowledge, and the truth contained in it and our explorations with you we have explored this magnificent world around us and have discovered some of the greatest of its secrets. You have given us a gift of exceptional value--the inquiring and therefore, open mind. For this, we are grateful and to you: the members of our diligent, hard working Science Department we dedicate for all times the pride of the Senior Class, the 1963 "Lion".

# *Administration*

Dr. Ben Fountain, Superintendent of Public Schools

*As the earth revolves about its axis so it is with the nucleus or core of our atom--our beloved administration and faculty. From the abundant fountain of their proficiency we begin to drink of the cup of knowledge. In the maturity of their leadership and character ours will take form.*

# *Elizabeth City Board of Education*

Standing: Dr. B. E. Fountain, W. F. Thompson, H. A. Gaul, Russell Hull, H. W. Clinkscales.  
Sitting: J. P. Kramer, Dr. J. H. Bonner, J. C. Abbott, E. W. Smith.

MISS RUTH B. HOYLE, Supervisor of Instruction

# Our Principal

## PRINCIPAL'S MESSAGE

I wish to congratulate the Annual Staff and your Advisor for the excellent job that you have done in publishing this yearbook, The "Lion for 1963." To the members of the Senior Class that have made such a wonderful contribution to our school during the past four years, I want to take this opportunity to extend to you and your parents, our congratulations for their splendid cooperation in supporting our program and allowing us the opportunity to work with a fine group of boys and girls.

I want also to express my appreciation to the members of the P. W. Moore Faculty, the students, the parents, the Superintendent of City Schools, Dr. Ben E. Fountain, Jr., and the Board of Education for making this a very happy and successful year. We will forever be grateful for the fine spirit of cooperation that we have had from the entire school community.

A final word to the Seniors: on January 22, 1963, Roy White, a member of the Senior Class had this to say, "Take pride in everything that you undertake and you will always get joy and happiness out of a job well done." Therefore, regardless of the nature of the task always take pride in it. Always remember first, that one must take pride in himself, in his home, school, community and his job. When you go into other endeavors go into them with pride and happiness and I'll assure that success will certainly be yours.

C. R. Paige, Principal

# Seniors

Class Officers

Just as the alpha particles evolve from the nucleus of the atom, the seniors are the first products of the ever-functioning faculty. This growth into the ultimate product is the result of reaction. In the atom it comes in the form of emitted rays. Through the seniors shine forth the character and leadership developed in them by the faculty and administration.

# Seniors

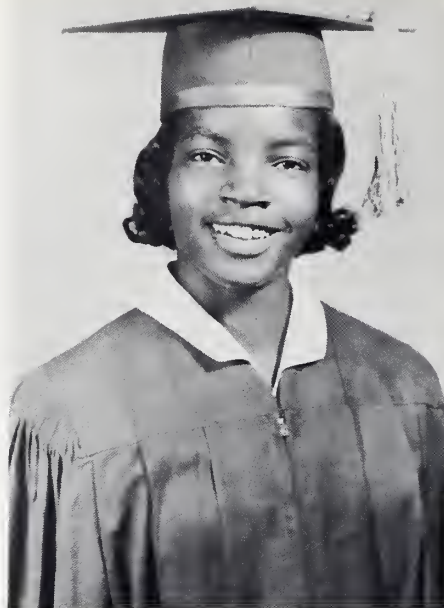

ALICE YVONNE ALLEN

"Boots"

Ambition: Registered Nurse

"Stand fast but do not stand still."

Basketball team 3, 4; Glee Club 2, 4; Le Cercle Francais 2; Social Science Club 4; Dramatics Club 4.

Mr. J. E. Barnes

Mrs. D. Jenkins

# *Class History*

In September of 1959, 135 young people entered into the doors of P. W. Moore High School to be fitted into the daily routine as high school freshmen. This was a new and different experience for us because we had taken a big step.

The majority of the class came from the Pasquotank County Elementary School and the Junior High School Department of P. W. Moore, with a few from the local parochial school.

The following officers were elected for the 9th grade: President, William Winslow; Vice President, Grace Williams; Secretary, Mildred Hines; and Chaplain, William Purkett.

We were quite active in joining extra-curricular activities. Out of the class, 36 girls joined the N. H. A. and 20 boys joined the N. F. A.. The Music department was favored with 13 band members and 5 Glee Club members. Only 1 student joined the Forensic Club. 13 joined the Social Science Club and four were reporters for the school paper. P. W. Moore is known for its athletic teams and we wanted to keep the teams moving. 3 boys joined the football squad and 5 became members of the junior varsity basketball team.

Freshmen sponsors were Mrs. M. M. McLean, Mrs. E. P. Jones, Mrs. M. M. McCleave, Mr. J. J. Mitchell, and Mr. C. L. Foster.

We were a hard working group; therefore, a large number was promoted to the sophomore class. Officers of the sophomore class were: President, Barbara Fearing; Vice President, Alexander Jones; Secretary, Vernelle Bailey; Chaplain, Freda Spencer; and Reporters, Vivian Thornton and Leon Mullen.

During this year, 17 of us joined the French Club. 2 boys joined the Lettermen's Club. There were 6 who became members of the Dramatics Club and 4 who were on the traffic squad. A few more boys wanted to help build the football team, so instead of 3, 9 joined. 5 girls showed athletic abilities by becoming "Lionettes."

In September of 1961, 130 of us began our junior year. Officers of this class were as follows: President, Barbara Fearing; Vice President, Alexander Jones; Secretary, Carolyn Trotman; Assistant Secretary, Godfrey Eason; Chaplain, Daisy Johnson; and Reporter, Roy White.

# *Class History*

Interest in extra-curricular activities had not decreased. 18 girls joined the N. H. A., and for the first time in the school's history, home economics was offered to boys; 15 boys joined the N. H. A.. Only 4 joined the French Club, but 8 joined the Dramatics Club. There were 8 boys and 6 girls on the basketball teams from our class. 2 were on the Student Council with one as its secretary. Only 3 Juniors joined the Science Club, while 11 joined the Math Club. We must have been quite business minded, for an overall record number of 27 joined the Business Club from our Class.

On May 18, 1962, we sponsored a very successful Junior-Senior Prom. The theme was "Gypsy Serenade." Music was given by Spence's Band of Norfolk, Virginia.

Junior sponsors were Mrs. G. O. Barcliff, Mrs. R. P. Cooper, Mrs. E. L. Harris, and Mr. S. Newsome.

Finally we reached the senior year. We looked back over the years and we were proud that we had not faltered. We were determined to make our last year the very best. There were only 96 left with us, but we took upon our shoulders the sundry duties that lay before us and carried out our tasks.

Although we could see ourselves progressing tremendously, we knew that there was still much work to be done.

The class was organized with the following officers: President, Carlton Whitehurst; Vice President, Roy White; Secretary, Carolyn Dorsey; Assistant Secretary, Rubenia Moore; Chaplain, William Purkett; Reporter, Vivian Thornton; and Treasurer, Alice Allen.

Enthusiasm for extra-curricular activities was still present. The names, Sharpe, Collins, Cherry, Williams, and Mullen will long be remembered as outstanding players in football. Musically speaking, Jones, Lister, Williams, Fearing, Holley, Skinner, and Sylvester will be remembered when the band marches by. Price will be remembered as Moore High's soloist; Mullen, White, Davenport, Brothers, Hill and Murden as actors and actresses. We did our part in our positions.

Miss Joycelyn Berry reigned as Miss P. W. Moore. Five honor students were inducted into the National Honor Society. They were Delma Skinner, Roy White, Barbara Fearing, Peggy Davenport, and Alexander Jones. Sponsors were Mrs. D. P. Jenkins and Mr. J. E. Barnes.

# Class History

The cherished memories of the good "ole days" at Moore High will remain eternally in our hearts.

"We love you, Moore High, and our Alma Mater we will always uphold."

The Historians: Grace Williams, Lavaughn Carver, Carolyn Trotman, Delores Beamon, Denola Lister, Mildred Hines, Vivian Thornton, and Barbara Fearing.

## CLASS MOTTO

"Education is the foundation on  
Which we build our house;  
Success is the roof which  
Marks the peak of perfection."

## CLASS SONG

Our Day Has Come

Our day has come,  
And we must say good-bye.  
We shared the joys,  
Being a part of Ole Moore High.  
We hate to tell you  
That all of us must go;  
We love you so,  
But as you know,

Our day has come,  
With all our tasks complete.  
We'll start new lives  
With all its recipes.  
Our minds developed  
As we relied on you,  
We shall be true.  
Our day has come.

Our day has come,  
And we are proud to say  
We've strived this far  
Now we are on our way  
Thank you for services  
Rendered through the years,  
You are so dear,  
Our day has come.  
Our day has come.

## CLASS POEM

The seed has forever been the cause of kinds;  
All things came from a seed with traits that bind.  
A seed was sown in rich surroundings,  
Upon a green earth, here was its foundings.  
Twelve years ago, this seed began to grow.  
At first its growth was very slow.  
During that time, the roots were very tender.  
Nourishment, twelve promoters had to render.  
Within a greenhouse, all the traits took form  
And from this house, this plant became a norm.  
Then this plant began to grow more and more,  
Producing quadrennial fruits as never before,  
Four years to come, a flower to germinate,  
From this, another seed to propagate.

## P. W. MOORE SCHOOL SONG

Moore High School we dearly love thee,  
And our tributes bring, with thy patience,  
Love and nurture, we thy praises sing.

### Chorus:

Moore High School, Moore High School  
Dear we love, Deeply graven on each heart  
We thy loyal sons and daughters  
Pledge to do our part.

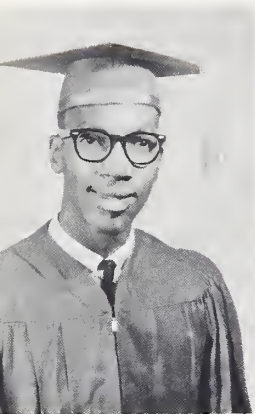

You will always find us loyal  
Faithful, sincere, true;  
Service sure will be our motto  
When we think of you.

Junior High

No matter how great or strong the whole appears, it does not surpass that which composes it. The smallest unit plays its role, though often unnoticed. Such is the case with the gamma rays in the atom--not the center of operation, but still a phase of operation. The gamma rays in education are those comparatively new "travelers", the underclassmen.

*Third Row:* William Lee, Willie Grizzel, Joan McCaffity, Jerry Holley, Tempie Williams, Barbara Hinton, Janice Johnson, Sophia Davis, Helen Daniels, Shirley White.

*Fourth Row:* Jean Moore, Larry Jones, Jessie Cole, William McCaffity, Terry Figgs, Carlton Brooks, Rudolph Taylor, Calvin Moore.

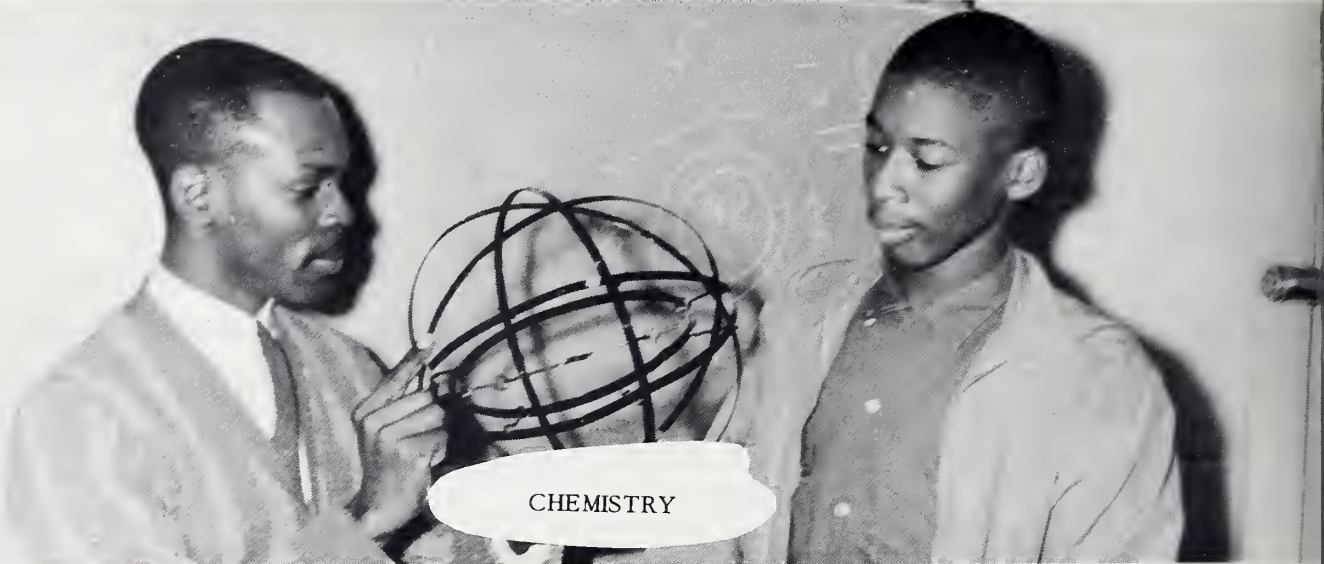

## *Classes in Action*

The Head of the Science Department - Mr. T. V. Beasley

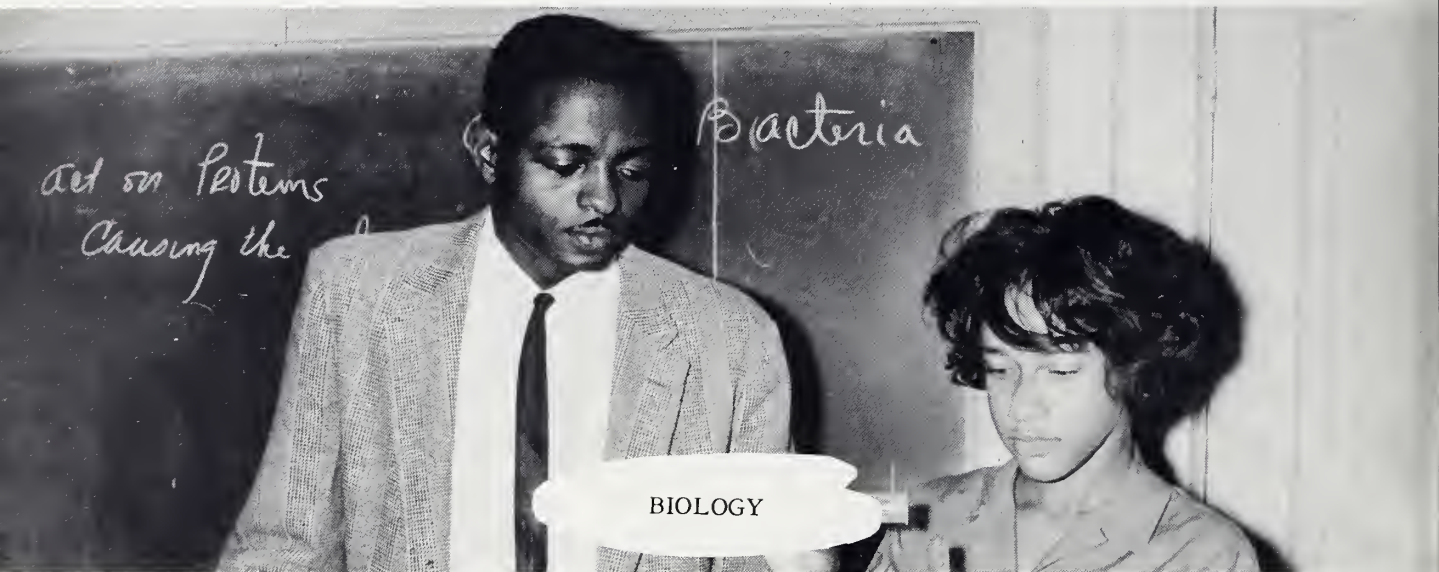

*Ever so smoothly and precisely the atom operates with each part carrying out its given task. So the class functions. The result? Knowledge.*

# Classes in Action

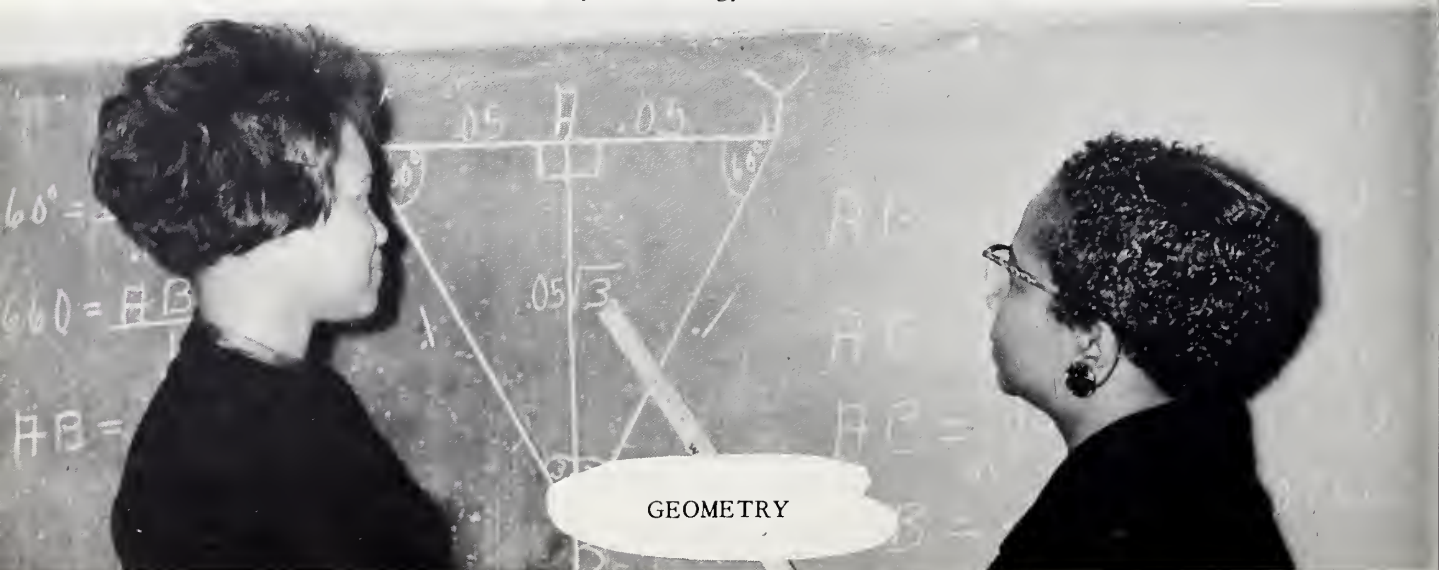

## CHEMISTRY

Mr. Perry explains the structure of the atom.

## BIOLOGY

Under the supervision of Mr. Beasley, our biology teacher, a student mixes a chemical compound.

## GEOMETRY

Mrs. Moore demonstrates a theorem in geometry.

# *Classes in Action*

SOCIOLOGY

Barnes explains to his sociology class Malthus' theory.

HOME ECONOMICS

Mrs. Jones directs a sewing activity.

ENGLISH

The bibliography of the research paper is explained by Mrs. Jenkins.

# Classes in Action

GUIDANCE

The guidance counselor, Mrs. Sugg, helps seniors lay life patterns for the future.

TYPING

Typing techniques are explained by Miss Joyner.

VOCATIONAL  
AGRICULTURE

Vocational agriculture students, taught by Mr. Mitchell, are observing the techniques of cutting wood on a table saw.

# *Classes in Action*

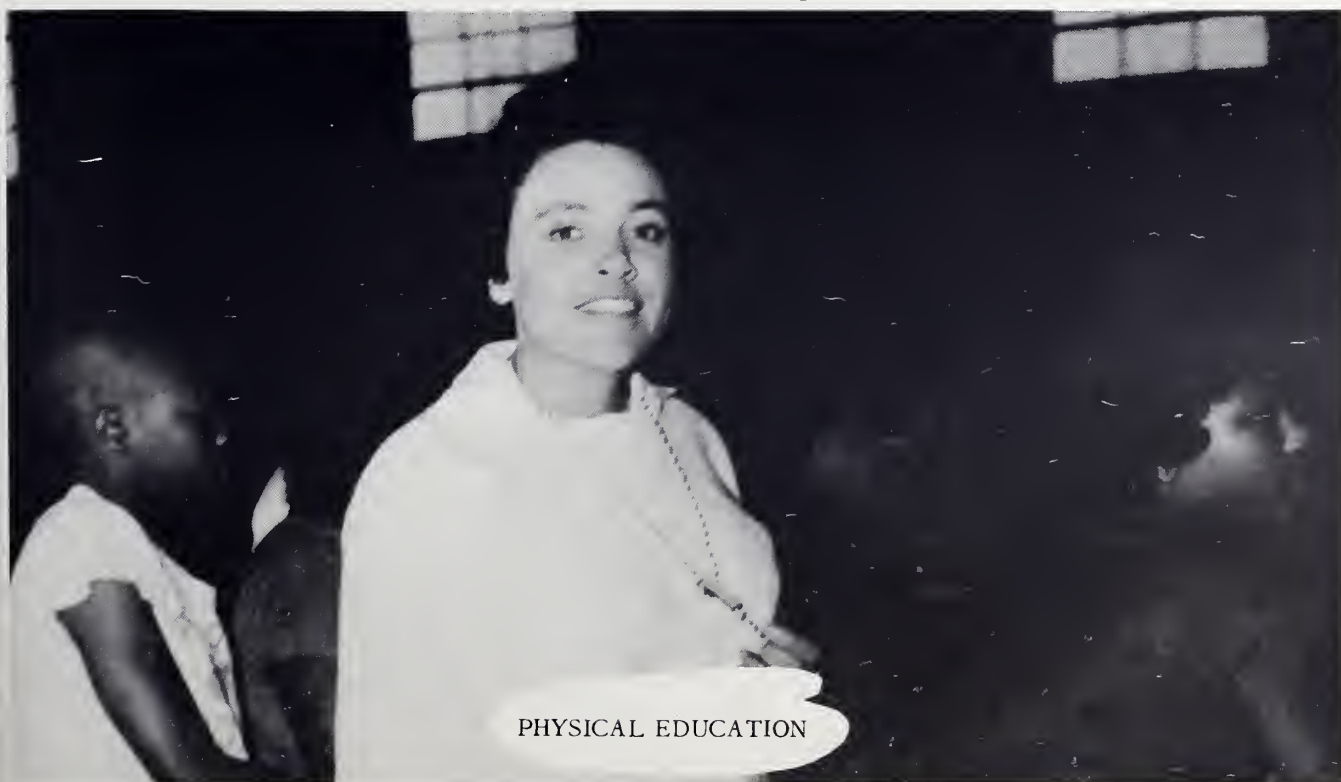

BAND

Individualized instruction in music is being given by Mr. Scott.

PHYSICAL EDUCATION

In keeping with the President's "physical fitness" program Mr. Hunter's physical education class exercises on the trampoline.

PHYSICAL EDUCATION

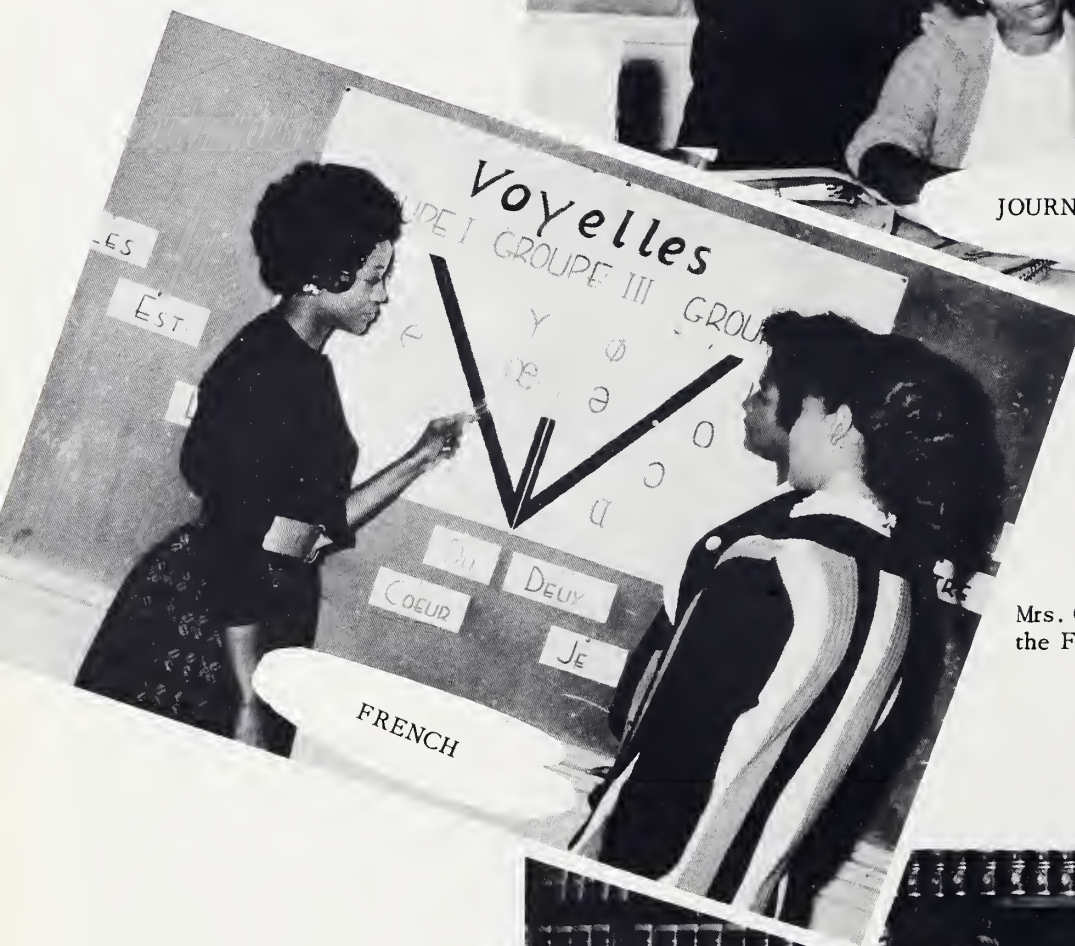

Mrs. Harris referees a basketball game in physical education class.

# Classes in Action

Mrs. Saunders and students in journalism prepare copy for the school paper.

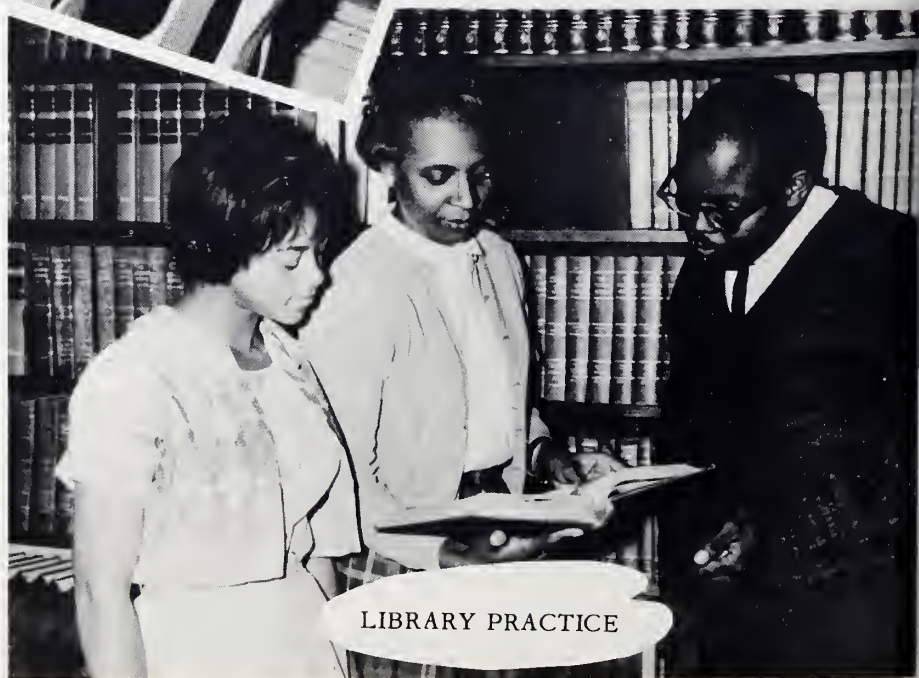

JOURNALISM

FRENCH

Mrs. Cooper teaches the vowels of the French language

Our librarian, Mrs. Felton, instructs students in the use of library facilities.

LIBRARY PRACTICE

# Activities

The editors of the 1963 "Lion"

Coordination is the key to success in an element of many working parts. The atom bonds itself with other atoms to function as an "active" element. Similarly, the activity becomes an "active" one when independent persons combine their talents for a given purpose.

# *Student Council*

Javon Brothers, President

## *Our Advertisers*

The Business Department of the 1963 "Lion"

*The unlocking of the atom is the result of research and experimentation. Without this quest and subsequent answer there would be no product. As for this book, it was made possible by our loyal supporters, who, when approached, answered "yes" instead of "no" to our request for financial assistance.*

Alma  
 Cho  
 Moore High School,  
 Dear we love, deeply  
 We, thy loyal sons and  
 Pledge to do our part

ton

re High School  
even on each heart.  
ughters,

Thus, the many contributions that have gone into making our way of life have been given. Once scattered and seemingly remote and out of focus, our atom, like a blazing sun, becomes a coordinated working whole.
